## ACKNOWLEDGING THE DEDICATED SERVICE OF WALLACE SIMPSON

(Mr. RUPPERSBERGER asked and was given permission to address the House for 1 minute.)

Mr. RUPPERSBERGER. Madam Speaker, I rise to acknowledge the dedicated service of Wallace Simpson, who is retiring after more than three decades of providing Chamber security for the House Sergeant at Arms. Today is his last day.

Wallace has commuted to Capitol Hill every day from our shared hometown of Baltimore. I can tell you the commute back and forth can be grueling—demoralizing even—and the fact that Wallace has stuck with it for more than 30 years is a testament to his commitment to the job.

Over the years, Wallace and I have bonded over our shared passion for all things Baltimore, especially the Baltimore Ravens.

Wallace graduated from Edmondson High School and Coppin State College, both in Baltimore, before landing a job at Westinghouse Defense where he worked on fighter jets. He loves to eat crabs, too, in Baltimore and wherever there are crabs.

Wallace was hired by the U.S. House of Representatives in 1991 and has provided Chamber security since 1995. Wallace stood sentry through September 11, earthquakes, inaugurations, joint sessions of Congress, State of the Union Addresses, and everything in between.

Wallace is happily married to his wife of 28 years, Marchelle, with whom he shares 5 children, 10 grandchildren, and 3 great-grandchildren.

When he is not protecting us here on the House floor, Wallace enjoys painting portraits and landscapes, drawing on his degree in graphic arts. I hope Wallace finds more time to enjoy this passion and cheering on the Ravens with a crab cake and a Natty Boh in the coming months and years.

Wallace, on behalf of the entire U.S. House of Representatives, I thank you for keeping us safe all these years. It is with great pride that I congratulate you on your well-deserved retirement, and wish you continued happiness in your next chapter.

## IN CELEBRATION OF BLUEBONNET YOUTH RANCH

(Mr. CLOUD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLOUD. Madam Speaker, today I rise in celebration of the Bluebonnet Youth Ranch's 50 years of lending a helping hand to the vulnerable children and families in south Texas.

In 1968, a group of Yoakum businessmen pooled their funds together to provide a home to five children facing separation from their widowed mother who was scheduled to go to rehabilitation treatment. Word quickly spread around town, and a generous patron came forth and donated 50 acres of land to serve as the location for the soon-to-be Bluebonnet Youth Ranch.

A few years later in 1972, the Bluebonnet Youth Ranch officially opened its doors as a nonprofit provider of residential care for dependent, abused and neglected children. Since then, the ranch has served as a home for an estimated 600 children from 68 different Texas towns.

I am thankful for the work of this organization and how it embodies the Texas spirit and Christ's command to love our neighbor. I look forward to seeing them continue to provide much-needed care for families across the great State of Texas.

## CELEBRATING THE BEGINNING OF AN INFRASTRUCTURE DECADE

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Madam Speaker, 6 months ago, President Biden signed the historic bipartisan infrastructure bill into law.

We used to celebrate infrastructure week, but now we are celebrating the beginning of an infrastructure decade. Six months into implementation, the bipartisan infrastructure law is already making a major impact in Ohio and in States across the country.

To date, Ohio has received nearly \$3 billion to repair roads and bridges, upgrade ports and railways, and ensure clean drinking water and internet access. These projects are laying the foundation for our next decade of growth.

To capitalize on these investments in our infrastructure, Congress is finalizing the COMPETES Act. The bill's investments in research, innovation, and manufacturing will boost our supply chains and lower costs for Americans.

Together with the infrastructure law, the cost-cutting COMPETES Act will ensure more goods are made in America and get them to market faster.

## RECOGNIZING MEMORIAL DAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise to recognize our most solemn holiday occurring at the end of this month, Memorial Day.

We are very proud that the tradition of Memorial Day originated in a Pennsylvania community, dating back to 1864 in Boalsburg, Pennsylvania—the birthplace of Memorial Day—when three ladies decorated the graves of fallen Civil War soldiers.

From that simple beginning act of love and remembrance came the observance of Memorial Day.

Now, every year on the last Monday of May, the people across this Nation gather in town squares, at memorials, and in the cemeteries of our fallen heroes to pay tribute to those that gave all.

Our Nation's greatness was earned by the sacrifices of few so that freedom and liberty would come to all.

This Memorial Day, we remember the sacrifices made by our men and women in uniform.

Madam Speaker, let us always remember our freedom isn't free. May God bless our servicemembers, their families, and the United States of America.
